CASTERLINE | GOODMAN ArtCrush 2015

For the third consecutive year, Casterline | Goodman Gallery is proud to be a sponsor of the Aspen Art Museum's annual ArtCrush gala event.

On Thursday, July 30, from 6–8 PM, Casterline | Goodman Gallery hosts PreviewCrush—providing refreshments and hors d'oeuvres; a sneak peak at works in the AAM's auctions of contemporary art; and a unique opportunity to mingle with the prominent artists, art collectors, curators, gallery owners, and philanthropists from around the world here to celebrate the AAM.

Last year's gala raised over \$2.75 million, with ArtCrush Presenting Sponsor Sotheby's senior international contemporary art specialist, Oliver Barker, conducting the live auction portion of the event. This year, events commence with WineCrush, a private party (hosted by AAM Board of Trustees co-President John Phelan and ArtCrush event Chair Amy Phelan) on July 29th, followed by PreviewCrush on July 30th, and then culminating with the main ArtCrush gala on July 31st.

"ArtCrush is a vital part of our institutional culture and a crucial fundraising component in planning for the vibrant future of the Aspen Art Museum. We are always thrilled to welcome
